

We can source Maya seed for your business venture.

We have trained more than 10,000 rural and indigenous women to harvest and dry Maya Nut for local sale and for export.

Please submit your purchase order to [MayaNutInstitute@gmail.com](mailto:MayaNutInstitute@gmail.com) or call +1 (970) 275-4065 to discuss your options.

Harvests happen twice a year. Orders may be placed any time of year and will be fulfilled as soon as possible. It is not unusual to wait 4-6 months for a large order to be filled, as every seed is harvested by hand and then dried to 11-12% moisture content. This can take 30-45 days depending on the weather.

Thank you!

Erika
